Catching the Eye of a Billionaire

Donald J. Trump and ACN

There's no denying Donald J. Trump knows a great business when he sees it. The multi-billionaire has developed countless successful commercial real estate ventures, has written several best-selling books, and even hosts his own hit reality television show. Clearly, he knows a winner when he sees it, and since 2006 the winning business **opportunity** he has put his support behind is ACN. A relationship of this caliber was a first of its kind in the direct sales industry.

In 2009, ACN was featured on the hit reality TV show, The Celebrity Apprentice, alongside Mr. Trump and the cast of celebrities. In 2011, ACN returned to primetime television, making an encore appearance on the show.

Since the beginning, Mr. Trump has continued to praise the company, its **Co-Founders**, **services portfolio**, and the winning home-based business model. Mr. Trump is a fixture at **ACN International Training Events**, setting the record for the most appearances from the ACN stage by any ACN special guest speaker. So why does one of the busiest men in business take time out for ACN? **Because he loves and believes in the industry – and more importantly, he believes in ACN!**

At ACN, if it's on, you get paid!
